

864 0045 -864 0048 QuickControl XL

Function	Controlling of standard electric devices with RS232-, IR- and open contact interfaces
Communication Interfaces	1 x RS232 unidirectional 1 x IR unidirectional 4 x open Contact 1 x Greenline relay contact 1 x Key switch
Connector	2 x 9 x terminal block 1 x mini USB socket
Data rate	4800-115200 baud 30 – 300kHz
Controlling QuickControl	8 x buttons with 8 seperated status LED rot describable 2 x external buttons 1 x key switch 1 x IR Learner Timer
Operating voltage	110 / 240 V, 50/60 Hz / 5V 0,5A
Temperature	0 bis 40 Grad
Weight	0,150 kg
Size	81 mm x 81 mm x 22 mm
Mounting	M4 CSS distance 1 x 60 mm
Depth	35 mm
Connectors	15 mm
In-wall socket	1 gang
Farbe	Anthrazite, white, stainless steel, aluminium
